Elaboration on required actuarial work experience in relation to application for membership Actuary AG

* *Explanation work experience:* To become Member Actuary AG applicants are required to have at least 2 yrs. relevant work experience. Further specification:

Duration: one is required to have worked in the actuarial or adjoined professional field for the duration of at least 2 yrs. with a minimum of 32 hrs per week or equivalent (an equivalent might be applicable for work experience less than 32 hrs per week but over a longer period of time). On average a minimum of 3.000 hrs of work experience is assumed. Exceptional cases will be assessed on an individual and case-by-case basis.

** *Explanation co-signature:*

The substantiation of the work experience should also make the relevance of co-singing party sufficiently clear. It is the applicant's responsibility to demonstrate this relevance and have the declaration co-signed by a person with at least one of the following qualifications:

- Management (or senior) position or scientific post at academic level;
- Direct participation in the expertise or operational field of the applicant;
- Member of Koninklijk Actuarieel Genootschap (AG); similar other qualification(s) will be assessed by the AG.
